- 5 Server cabinet and equipment
- 6 Cable for network LAN
- 7 RJ45 cord
- 8 Optical fiber wiring
- 9 Converter/switch

**CONVERTER/SWITCH**  
> FOR ALL NETWORK TYPES

Available in Micro Switch size

**COMPUTER AND TEL RJ45 PLUG**  
> QUICK TO INSTALL WITHOUT TOOLS

Available in 6a category

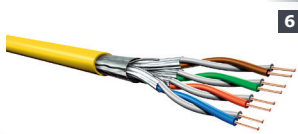

**WALL CABINET** > VARIOUS DIMENSIONS AND CONFIGURATIONS

Available in : 6, 6a 7 and 7a

6

**COPPER CABLE > TO EACH CONNECTIONS ITS VERSIONS**

Available in 6, 6a, 7 and 7a

15

**RJ45 CORE > SINGLE OR BATCH PACKING**

Available in 6 and 6a

10

**COMPUTER CABINET > 35 DIMENSIONS AVAILABLE**

Available from 18 to 47U

7

**RJ45 CORD > FROM 0,3 TO 40 METERS**

Available in 6 and 6a

11

**19" PATCH PANEL 1U 24 RJ45 PORTS > "KEYSTONE" COMPATIBLE WITH ANY CONNECTOR BRAND**

Available in 16 to 48 ports

Computer cabinet 10

19" patch panel 11

RJ45 cable cat. 6a U FTP 12

Cable guide 13

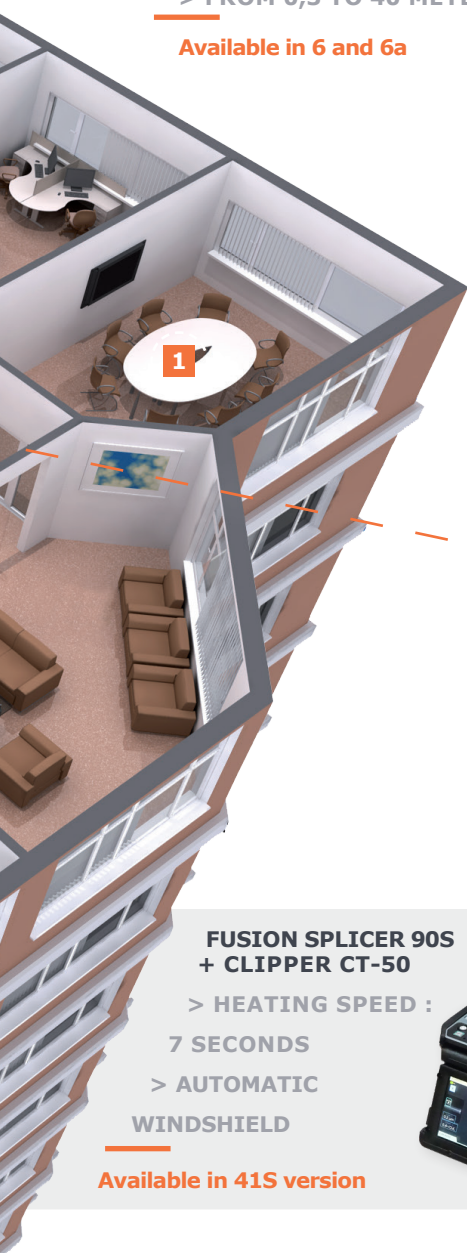

48 ports switch 14

RJ45 core 15

Inverter 16

Rack extension 17

19" PDU strip 18

1

**FUSION SPLICER 90S + CLIPPER CT-50**

> HEATING SPEED :

7 SECONDS

> AUTOMATIC

WINDSHIELD

Available in 41S version

# THD SERVICES

TETRADIS offers a turnkey **VDI / DATACENTER solution** so as to make your installation easier !

## ✓ **Support**

- Listening and in-depth study of your needs
- Tailor-made support
- Efficient and fast service

## ✓ **Design office at your disposal**

- Development and manufacturing "Made in France"
- Production of tailor-made LAN network solutions meeting all needs
- Constant innovation, two patents already registered

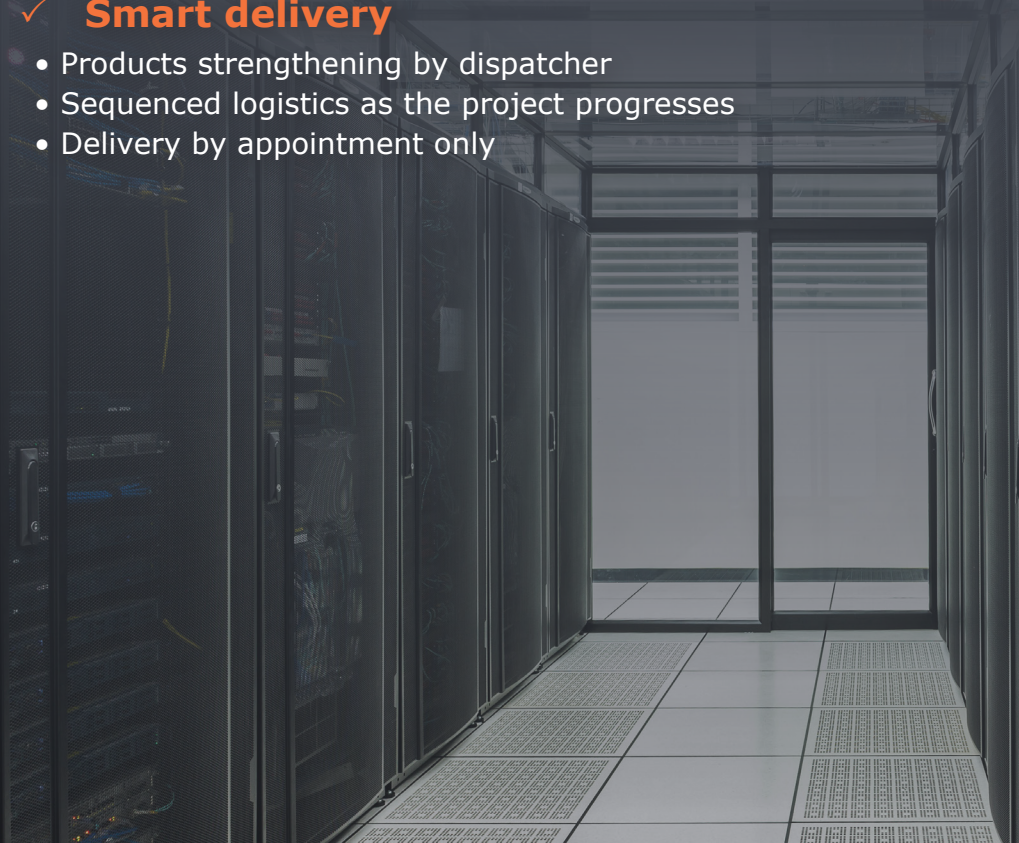

## ✓ **Integration and customization**

- Integration service for your racks and cabinets, according to your needs beforehand the deployment
- Quality components, custom-configured and ready to be connected
- Customized cord labelling

## ✓ **Smart delivery**

- Products strengthening by dispatcher
- Sequenced logistics as the project progresses
- Delivery by appointment only
