- 8 Inside siren
- 9 Numerical recording
- 10 Control monitor
- 11 Fisheye camera
- 12 Access control keeper
- 13 Power Cam pack

1

**CAMERA BULLET IP**  
> SMART VIDEO

Video analytics

4

**COOPER WIRE**  
> NETWORK WIRE ON OP

Available in cat. : 6, 6a, 7 et 7a

3

**LCD ENTRY CODE**  
> ABS' WIRED ALARM  
POWER STATION

For Harmonia unit alarm

5

**MOTION SENSOR**  
> BI-VOLUMETRIC 12 M X 12M

Detection technology IRP

12

**UNIVERSAL KEEPER**  
> BREACH AND EMISSION

Available 12V until 24V

13

**POWER CAM PACK**  
> MOBILE TERMINAL VIDEO

Pilot, analyze until 4 cameras

Fiber optical  
converter / RJ45

6

**IP/GSM DOOR STATION**  
> RESOUNDING AND LED SIGNAL

Wide range of wired support

8

**SIREN 115 dB**  
> FOR ANY RISK LEVELS

Available in 112 dB with flash

10

**CONTROL MONITOR**  
> FULL HD AND LED 1920 x 1080

Available from 7 to 32 inches

7

**NETWORK DOME CAMERA**  
> RESISTANCE TO VANDALISM IK10

Available in mini dome and PTZ

9

**NETWORK VIDEO RECORDER**  
> HARD DRIVE SIZING FOLLOWING YOUR NEEDS

Available until 128 channels

11

**FISHEYES CAMERA**  
> VIDEO SURVEILLANCE AT 360°

Augmented reality by smartphone

Network wire on OP

2

Fiber optical wire

# THD SERVICES

For the whole ranges, TETRADIS offer a **VIDEOMONITORING** pack ready to use in order to make your installations easier.

## ✓ **Before sales :**

- Helping in selecting cameras and accessories according to the desired application
- Help in the selection of recording solutions

## ✓ **Pre-configuration in the workshop :**

- Centralization of the components to be parameterized
- Network pre-configuration of the cameras in the workshop
- Camera's smart functions activating
- Interfacing with analysis software
- Labelling or parameterized components
- Functional test and development of an installation plan

## ✓ **Installation folder drafting :**

- Creation of a ground plan of the infrastructure and of a synthetic guide of connection
- Help and advice for your administrative files

**Conscious of the field facts, TETRADIS has put at your disposal a technical assistance allowing a complete and personalized support for the installation of your security products.**
